Willing to get experience by support all forms of production teams to help running the any shoots smoother. Ready to take any task or project professionally and with excitement

EDUCATION

High School - Lycée Français International de Tokyo - The American Section of the International Option of the French Baccalaureate (OIB)

2021-2023

I attended a French international school in Tokyo. I have been at this school since kindergarten up till my final years in high school. This means majority of my education was done in French. In middle school, I did some extra English curricular and in high school I joined the international American section giving me extra English literature and American History classes and exams.

University - Bath Spa University - BA HONS FILM TELEVISION AND DIGITAL PRODUCTION

2023-2026

II am currently attending this university. I've gained a lot of practical learning and theory learning which a lot of my work experience comes from. I've had single-camera, multi-camera, digital production, screenwriting and even film study modules. I've learned how to use Adobe software such as Premier Pro, Photoshop and After Effects. I've also learned how to use the Microsoft 365 software and others like Davinci Resolve.

SKILLS

- Knowledge and experience of Adobe Premiere Pro, DaVinci Resolve, Adobe Photoshop, Adobe After Effects and Adobe InDesign.
- Knowledge and experience in Google and Microsoft software.
- Organization and time management.
- Leadership and responsibility of a team.
- Dedication to research.

LANGUAGE SKILLS

- English: bilingual proficiency
 - The American Section of the International Option of the French Baccalaureate provides students with a university entrance qualification valid in both the U.S. and France. It makes academic and linguistic demands on equal level in English and French.
 - TOEFL score 96
- French: bilingual proficiency
 - The American Section of the International Option of the French Baccalaureate
- Swedish: competent
 - only used in familial situations

WORK EXPERIENCE

BATH SPA UNIVERSITY - CAREERS TEAM PROMOTIONAL

VIDEO - CINEMATORGRAPHER and EDITOR

October 2023 - December 2023

Me wrote a skit which was based on informercial advertisement. We filmed the video on a green screen studio using my Iphone and I edited the promotional material on Premier Pro. It was officially used on the Bath Spa Careers Instagram.

FLOOR MANAGER - UMBARGO

January 2025 - May 2025

I was a part of a multi-cam production that was making this gameshow. I was supervising the studio and collaborating mostly with the camera operators, set designers, lighting operators and keeping communication smooth between the floor and gallery. I was also in charge of making the floor plans and the safety documents.

PRODUCTION DESIGNER - BRINGIN' SEXY BACK

September 2024 - May 2025

In this short film, I was in charge of design the props, costumes and sets to a 2000s horror/bubblegum comedy style. I had to work with a tight budget and with that I had to make some of the props myself and even designed the costumes myself. I even managed to work out practical effects for the short film

PRODUCER and LIGHTING OPERATOR - FROM THIS DAY FORWARD

September 2024 - December 2024

A multi-cam drama where I was involved in the pre-production as a producer, in charge of staff meetings, overseeing the tech-team and filling out the right documents. During production I was involved as a lighting operator which is where we made lighting plans based on the fixture on the hoists, practical lights and even did some effects.

SOUND OPERATOR - DEATH OF APPRECIATION

January 2024 - May 2024

A short-film documentary where I was in charge of recording sound on interviews using a boom pole and also radio microphones. The documentary was focused on a friend's father's passion for painting.

EDITOR and PRODUCTION ASSISTANT - THE EGG

September 2023 - December 2023

A short-film drama which I edited on Premier Pro and even contributed on the practical effects of the film. The film was sci-fi film inspired by 80s style or Steven Spielberg's films.

SOUND DESIGNER/OPERATOR - WHO'S FEELING SPICY?

January 2024 - May 2024

I worked in collaboration with another sound operator to find SFX for the gameshow. I was in charge of operating them during the rehearsals and the final recording. One SFX was a theme song for the gameshows mascot which I made from scratch on GarageBand.

CAMERA OPERATOR - STUPID OR CUPID

January 2024 - May 2024

I was in charge of one of the cameras for this dating gameshow. I was the camera in charge of filming single close up or two shot of the contestants.

SUMMER CAMP COUNSELOR - NANBO DISCOVERY CAMP

July 2025

I was a camp counselor for two sessions which is the equivalent to 10 days. I was responsible for taking care of the kids, specifically the kids on my bunk ranging from 7-14 years old. I was responsible for supervising them during field activities to supervising them during beach trips.

PERSONAL PROJECTS

TREETIDES MAGAZINE https://drive.google.com/file/d/1Euol_64yiW6nnMmudk_44xCoJxdkk6yZ/view

June - August 2025

I challenged myself to write and design a magazine. This was so I can refine my writing skills, get better at using Adobe Photoshop and learn how to use Adobe InDesign. I wrote most article by myself and designed the whole thing by myself using Photoshop and InDesign.

SUMMER - ALBUM https://youtube.com/playlist?list=PLlgpUGl6OROSFUraNAjpa_Ebdql_CTh2K&si=gBU4y4W1WGtgotih

July 2022 - June 2025

This was a passion project of mine that I would do on my free time, it's a hip-hop based album containing 13 songs. I produced, arranged and wrote the album on GarageBand using my own electric piano. I also managed to find a way to distribute it on DSPs such as Spotify.
